Home Delivery of Ashes

If you choose personal delivery, your pet's ashes will be delivered to your home by an At Home Veterinary Services staff member. Please note that we are unable to schedule specific delivery dates and times, but we can call you a few minutes before we arrive, and we give you a call after we have completed the delivery.

Personal delivery is not available in all areas. If you live further east or south east than I205, further south than Wilsonville, or further west than Aloha, please inquire if personal delivery is available in your area.

Personal deliveries are usually made within 7 to 14 days after your euthanasia appointment. If you have requested a clay paw print, it will be delivered at the same time.

Please check your notification preference below (you can check both, if you wish):

_____ Please call me a few minutes before you arrive at my home to deliver the ashes.

_____ Please call me after you have delivered the ashes to my home.

Please call me at this phone number: _____

Please leave instructions below where you would like us to place the delivery if you are not at home when we arrive. We recommend an area that is not exposed to rain or weather.

The ashes will be in a small wooden urn, which will be placed inside a plastic bag in inclement weather.
